

EXTERNAL MARKETING NEWSLETTER

THANK YOU FOR BEING PART OF ISE 2017!

On behalf of **Philips Professional Display Solutions**, we would like to thank you for visiting our booth at ISE 2017 last week. It was a pleasure having you with us. We hope you were inspired by our innovations on display. Please don't hesitate to contact us with any questions or requests for additional information.

We look forward to ISE 2018 at the RAI Amsterdam on 6-9 February 2018. Save the date for next year's largest AV and systems integration tradeshow in the world.

**Integrated
Systems
Europe**

6-9 February 2018
Amsterdam, RAI, NL

New Products Launched

P Line: Public viewing with high brightness, vivid colors and powered by Android

The extra wide viewing angles make viewing comfortable in portrait and landscape modes. The slot for optional OPS-media player eliminates cables.

[LEAFLET P LINE](#)

X Line: Create an impressive narrow bezel video wall
 With the ability to scale to any size, the 1.8mm bezel to bezel,
 The Ultra-HD resolution and a vast amount of connectivity
 options, our video wall displays are adaptable to any market.

[LEAFLET X LINE](#)

L Line: High-brightness LED displays for stable broadcasts.
 Create a robust and seamless video wall that doesn't get washed
 out by bright ambient light. The ultra-high refresh rate means
 stable and complete images.

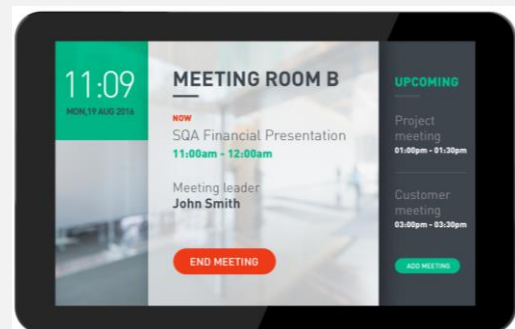

H Line: Delivering ultra-bright, crystal clear images
 Crystal clear images even in locations with high ambient
 light, and a slot for optional OPS-media player and
 failover for content continuity.
